(HOME PAGE NAVIGATION & MAKING QUALIFYING EVENT CHANGES)

Below is an example of your Employee Home Page.

If this is your first time logging into the site and you have not already updated your password, please update your password by clicking on **"Change Password"** tile.

The screenshot shows the Employee Home Page for BenAdmin. The page includes a header with 'HCM Beta', 'Employee Settings', and a welcome message. The main content area features several tiles: 'Demographics', 'Change Password', 'Spouse', 'Enroll Now', 'Confirmation Statement', and 'Enroll Now'. A sidebar on the left displays user information and family members. A callout points to the 'BenAdmin' dropdown menu, another points to the user profile icon for logout, and others point to the 'Confirmation Statement' and 'Enroll Now' tiles.

Click on "BenAdmin" to see more benefit options.

To logout, click on your name to open the drop down menu and click on logout.

Click on the "Confirmation Statement" tile to see your current

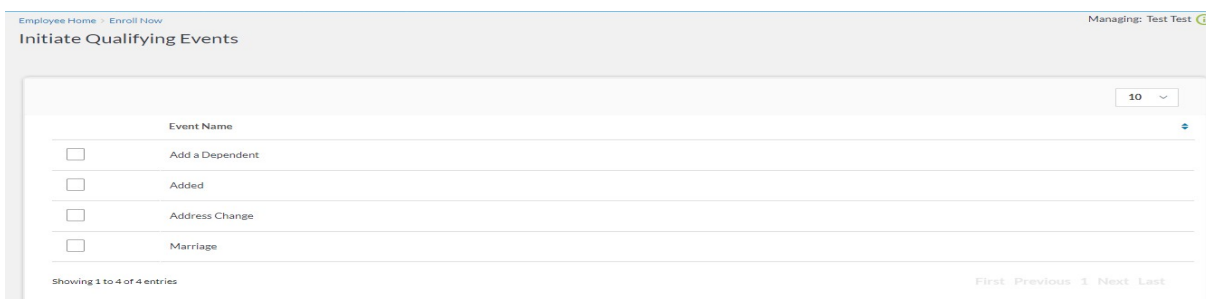

To make changes to your benefits, click on the "Enroll Now" tile.

To begin a Qualifying Event (i.e. Marriage, Newborn, Divorce, etc.) click on the "Enroll Now" button found on the Home Page. If an event is not open you will see an option to open a Qualifying Event by clicking "OK."

Then select the Qualifying Event that applies to you, enter the date of the event, and click "Save". The system will now walk you through your personalized experience.

Please note the following in regards to Qualifying Events:

- To initiate a Qualifying Event, while still within your Open Enrollment period, go to: BenAdmin > Initiate Qualifying Events
- Please ensure the dependent relationship type is updated when processing a Qualifying Event, as this determines eligibility e.g. If processing a Divorce QE you must change your spouse relationship type from spouse to ex-spouse. This will ensure that the system will terminate the spouse's benefits and generate the notification for COBRA.
- During a Qualifying Event, Beneficiary designation will be available after your plan change is approved by the administrator. To view or change your Beneficiaries outside of an open window, go to: My Benefits > Beneficiary

The screenshot shows the 'Initiate Qualifying Events' form. It includes a table with columns for 'Event Name' and a checkbox. The table lists four events: 'Add a Dependent', 'Added', 'Address Change', and 'Marriage'. The form also includes a 'Showing 1 to 4 of 4 entries' indicator and a 'First Previous 1 Next Last' navigation bar.
